

Dear Friend,

We are finally unpacked from our summer assignment serving our staff. Already flying full-throttle into fall ministry, we are thankful to pause and share with you what transpired this summer and what we anticipate in the months ahead.

Countdown to Ministrynet 2011

In July, Rich made a trip to Bangkok to finalize the hotel for the Ministrynet 2011 Conference that he is directing in Thailand November 3rd-7th. We cannot believe there are only 56 more days until he leaves for Bangkok. Please peruse the website to read more about the theme "From Decisions to Disciples" at www.ministrynetconference.com Click on the link entitled "Information" to read the welcome letter from Rich.

Last week Rich led the Ministrynet Program Team meeting here in Orlando as they planned the nitty gritty details of the conference content. Staff flew in from Panama and Hong Kong to participate with people who participated via videoconference from Africa and Western Europe. We had the privilege of housing a staff woman from Panama, and our boys heard what life was like as a seven year old living under the terror of Manuel Noriega. It was a chilling opportunity for the kids and for us.

Summer Opportunities

Speaking of opportunities, serving the Directors of our National Staff Conference this summer was one of my favorite roles on staff thus far! I did everything from answer emails and plan meetings to negotiate contracts and help trouble shoot big issues involving thousands of staff. I really enjoyed the four directors that I served, and they have asked me to return in two years. The boys had a wonderful summer participating in the Kids' Kamp, and Rich enjoyed planning Ministrynet while also helping with the social media aspects of our staff conference.

During the conference, Campus Crusade for Christ celebrated our 60th anniversary in addition to announcing the new name "Cru" beginning in 2012. This decision was saturated in prayer and initiated for the sole purpose of reaching the world with the claims of Christ. If you have any questions about the name change, please feel free to contact us.

Joseph's Health Update

God provided a wonderful opening for us to uncover more details about Joseph's health while we were in Colorado. As you might know, Joseph's primary doctors are at National Jewish and Children's Hospitals in Denver. Joseph's six month check up was scheduled for June. When we arrived in Colorado, I started praying specifically that if there was anything that we didn't know about Joseph's health, that God would unveil it.

Joseph right before his endoscopy

What we anticipated to be a routine check up uncovered trouble with his small airways. God orchestrated a serendipitous series of events that enabled us to gain much more information about what is going on. We have changed his medicine, and he is quite honestly thriving more than ever. We will return right after Ministrynet, November 15th, for his six month check up and further testing. Thank you for praying for him and for us.

Thank you for your partnership in the Gospel. We are so thankful to be able to link arms with you and tell people around the world about how much they are loved by Jesus.

With joy from your missionaries,
